Dear Sirs,

Thank you for the given opportunity to recommend CAR RENTAL BULGARIA.

BFK co-operates with CAR RENTAL BULGARIA since 2002. During the last few years this collaboration went through dynamic development due to the expanding presence of CAR RENTAL BULGARIA on the market of transportation and escort of VIP officials on business and government level.

We consider CAR RENTAL BULGARIA to be working with professionals with exceptional understanding of local market characteristics, which makes it excellent choice for major companies and organisations, seeking for secure and comfort service.

We can distinguish CAR RENTAL BULGARIA because of its responsible approach to work, fully consistent with clients' requirements. The company has the opportunities and motivation to place exceptional services and with persistence and correctness to build up the necessary confidence.

We would like without reservation to recommend CAR RENTAL BULGARIA as a capable, largescale and honest partner.

Supervisor BFK:
